Client certifies that:

All Cats have had their rabies and FVRC vaccinations (and all other vaccinations required by Client's vet) at least one week prior to the scheduled boarding date. None of these vaccinations may be more than 12 months old for 1 year vaccines, and not more

All Cats six months of age or older have been spayed or neutered.

All Cats have been examined by a veterinarian within the preceding 12 month period and the veterinarian found no evidence of feline infectious peritonitis (FIP), feline leukemia (FeLV), feline aids (FIV), or feline upper respiratory infection (F.U.R.I.).

Cats are healthy enough to be boarded and have never had an adverse reaction to boarding.

By boarding multiple cats together, Client agrees to be solely responsible for any and all problems which occur as the result of two or more cats sharing boarding space.

Multiple Cats may be separated if, in Man's Best Friend's sole discretion, their separation is necessary for the health and welfare of the Cats. If the Cats are separated for any reason, they shall each be boarded at the higher, single cat, rate.

Check-out time is 12:00 p.m. on the Check-out date. Any Cats not picked up by 12:00 p.m. will be charged for another full day's boarding. Client agrees to pick up the Cats by the Check-out date or to notify Man's Best Friend of the need to extend the Ch
